Break new ground at India's most promising business platform for the lighting fraternity!

Messe Frankfurt India, the organisers of Light India and LED Expo, along with the Electric Lamp and Component Manufacturers Association (ELCOMA), have strategically merged two of India's leading shows, creating one mammoth trade fair for the lighting fraternity: "Light + LED Expo India"

With a track record as one of the best business platforms for futuristic, innovative, smart lighting products, technologies and solutions, the expo has become the number one choice among professional buyers. Join like-minded professionals at Light + LED Expo India to elevate your business and achieve groundbreaking results.

Special Pavilions

Future Zone:

FUTURE **ZONE**

built to showcase "next-generation" technologies

Solar Lighting Pavilion:

a showcase of sustainable technologies for the future

Industry Statistics

- The Indian LED lighting market is projected to grow at a CAGR of 23.6% during 2019 – 2025
(Source: Research and Markets)
- The northern region accounts for the largest revenue share in the Indian market, followed by the southern region
(Source: Research and Markets)
- The global light control system market is projected to grow at a CAGR of 14.8% by 2024
(Source: Markets and Markets)

Visitor's main area of interest

Showcase your expertise

LEDs - High power, liquid, SMD, OLEDs and other types

LED applications - Architecture, automotive, building, commercial, decorative landscapes and gardens, exteriors, floors, interiors, offices, residential, retail, stages, streets, tunnels, underwater and fountains

LED lighting products - Bollards, bulbs, ceilings, downlights, flat panels, floodlights, gardens, lighting fixtures, spotlights, street lights, tubes, underground lamps, wall washers, solar lights, automotive, lamps, backlights, bars, emergency lights, flashlights, focus lamps, headlamps, indicator lamps, modules, neon lights, reading lights, rope lights, solar lanterns, traffic lights

LED signage and displays - displays and signs, moving signs, production displays, screens, video walls, numeric and alphanumeric displays, LED Signages

LED components / accessories & raw materials - LED drivers and power supplies, Circuit boards, control systems, dimmers, DMX controllers, heatsinks, LED encapsulation materials, LED wafers and chips, lenses, PCB adhesive tapes, reflectors and diffusers, wires and cables

LED manufacturing equipment, machinery and related products

- Imaging devices, applied products, inspection, measuring, repairing equipment, LED manufacturing equipment and devices, SMD mounting machines, solid state lighting and equipment

Solar-powered LED lighting products & solutions - Solar integrated LEDs

Building & Home automation

- IoT based lighting (PoE IoT Li-Fi & Wi-Fi), innovative lighting products/ inverter bulbs etc.

- Smart lighting systems
- Smart switches & controls/ dimmers/ sensors/ touch panels/ i-devices/ wall switches etc.
- Home automation
- Artificial intelligence (PIR motion sensors, microwave motion sensors, light control sensors, wardrobe/ cabinet/closet sensors)
- LED sensor lamps, kinetic switches, wireless, touch modular switches
- Smart charging ports
- Smart home and community management systems
- Building automation systems and products
- Building Management Systems (BMS)
- Building efficiency and energy management systems and products

Electrical Engineering

- Electrical energy-efficiency modification equipment
- Control equipment meter & monitoring and dimmer switches
- Lightning protection systems and equipment

Research organizations & testing laboratories

A must visit for

- Architects and interior designers
- Lighting engineers and designers
- LED manufacturers
- Professionals from hotels, malls, restaurants, offices and commercial establishments
- Construction and real estate companies
- Building contractors and project management consultants
- Automotive industry professionals
- Energy service companies (ESCOS)
- Dealers and distributors of lighting and LED products
- Public Works Departments (PWDs), Central Public Works Departments (CPWDs) and municipal corporations
- Officials from power, new and renewable energy, environment, urban development and railway ministries

Reserve your space today!

Raw space

Exhibitors can design and fabricate their stand, subject to the organiser's approval. The power supply is charged separately. Minimum space allocation: 21 sqm.

Shell scheme

A shell scheme booth includes carpet, octonorm partition, fascia board with company name, three spotlights, one table, three chairs, one round table, one power socket (5 amp) and a waste paper bin. Minimum booth size: 9 sqm.
